**April 2020 NEWSLETTER  
NEXT MEETING: TO BE DETERMINED  
LOCATION: LECTURE HALL  
TIME: 9:00AM**

## **PROGRAM**

As you may know by now, the Recreation Center Facilities closure has been extended through May 3<sup>rd</sup>. As a result, we will not be having our April 3<sup>rd</sup> & 4<sup>th</sup> Plant Sale or the April 7<sup>th</sup> membership meeting. Attached to the email is the announcement from the Rec Center Management regarding this extended closure. As any additional information regarding the closure is received, the Board will provide that information to members. What was made clear in the announcement is that, “no one is to enter any of the club facilities, for any reason or for any period of time during the closure.” Unfortunately, we cannot go into Beardsley to water or maintain any of the cactus that are there today.

## **FUTURE ACTIVITIES PLANNED**

1. Friday & Saturday, April 3<sup>rd</sup> & 4<sup>th</sup> – Greenhouse Plant Sale has been cancelled
2. Tuesday, April 7<sup>th</sup> – Our Monthly Membership Meeting has been cancelled

## **GREENHOUSE UPDATE**

It is with a great sense of loss to the Greenhouse Team and the Desert Garden Club, that Louise Pierce has officially stepped down as Greenhouse Manager after 10 years of selfless hard work and dedication. As you all know, Louise has been the “heart” of our greenhouse success story. We want to express our gratitude for your commitment over the past 10 years and want to let you know that you will be missed by the Greenhouse Team and the Desert Garden Club Members. Thank you Louise, for all you have done for the Club.
