WATERING VOLUNTEERS NEEDED

Watering of plants continues thru the summer — EARLY mornings to avoid intense heat! There are open slots on the crews in July and August. Please go to the club website to volunteer to help out, if you can. Training will take place upon arrival. Signup can be done at <https://garden.scwclubs.com/sign-up-for-club-activities-2/> and the password is **cactus**.

HARVESTING TO RESUME IN JULY

The Club will begin harvesting again on July 1st! Due to heat, early morning only harvest appointments are open for Tuesdays and Thursdays in July. If you have harvested plants and would like to drop them off at the greenhouse, that would be appreciated. There will be a table under the shade cloth outside the greenhouse, marked “PLANT DROP OFF”. To place your name on the harvesting list, please email Mike Anderson at: manderson1717@gmail.com. Thank you.

GREENHOUSE LIGHTING EVENT

On Tuesday, June 28th we had a membership event to show off the new greenhouse in a nighttime setting, that included the new Botanical Garden. We had a good turnout and here are some pictures from the event.
