

2023 March Garden Tour

Karen and Larry Plitt, for the second year in a row, organized a tour of SCW Desert Garden Club members' landscaping. Six members allowed club members only to visit their homes to see how they practiced growing plants in the desert climate. Everyone had to show their current membership card to be allowed to enter.

A special thanks goes to Linda and Bob Bartelt, Lynn and Kilbride Krabbe, Ann and Tom Grilli, Marvin Sotka, Trish and Jim Con-solloy, and Elaine Alexander for showing their beautiful yards.
