

2023 March Spring Social

May the Good Times Roll! This year's spring social was a lunch in the R.H. Johnson Social Hall East on March 28. The theme for the event was Mardi Gras in Sun City West and featured fried chicken, jambalaya, and white chocolate-topped bread pudding for the meal.

Helen and John Groenveld were honored guests as they celebrated 25 years as Desert Garden Club members. Since Helen enjoys geraniums, they were given a large pink one to take home.

A special shout out goes to Minnie Whiting, Lori Lowe, and Sandy Warmuth for organizing this festive party.
