

2024 ARC Car Show

Education Committee Co-Chairs Mary Beth Kunze and LiAnn Hathaway recruited fourteen Desert Garden Club members to man an information table at the SCW ARC's 12th annual Car Show on February 10.

They set up it with displays showing what the Desert Garden Club does including a sign showing the thousands of dollars donated to charities that support the residents in Sun City West.

Attendees entered a free drawing for potted cactus plants made up in the greenhouse.

Sherry Clark, Sandy Warmuth, Carol Houtkooper, Kathy Loun, and Jolene Peer are volunteers to spread the word about the DGC.

Vicki Crites and Rehab Boswell greet visitors and share information about the club.

The table gives visitors a good idea of the activities and benefits of the club. The three cacti were given away at the end of the day.
