

2024 March Garden Walk

Organized by Karen and Larry Plitt, the membership was treated to an impressive set of other members' desert gardens. The 2024 Annual Garden Walk featured seven homes. After showing a club membership card, about a third of the membership saw many fantastic plantings.

A special thanks to the seven who opened up their yards for this activity; Bill Ravert, Kathy Loun, Mary and Dennis Madill, Jolene Peer, Jan Carto-zian, Don and Kathy Blomberg, and Dodie Weiland.
