

2024 March irrigation Workshop

The workshop on March 28 on **Irrigating Different Plants of Different Watering Needs with One Valve** was open to all Rec Card holders. Approximately 78 were in attendance.

The presenter, Jonathan Manning, ISA Certified Arborist since 2008 and Elgin Nursery Manager, gave a tips on how to water from a 1 valve system with different heads to accommodate individual plant needs and tools to attach to hoses to replace or augment the system. He stayed and answered many individual questions.
